### Notice.

The public are hereby informed that a  
Company has been formed under the title  
of **THE QUANTICO WAREHOUSE**  
COMPANY, who have erected, one mile  
below the town of Dumfries, a large and  
convenient Warehouse on Quantico creek  
for the storage of flour, grain, etc. which  
warehouse will be ready for the reception  
of produce on Monday the third of Feb-  
ruary next. The trustees of said Company have  
appointed Zebulon Kankey their Agent,  
to attend the said Warehouse, to receive  
produce on storage and grant receipts for  
the same. And for the prompt delivery  
of all articles received in the said ware-  
house by their agent, (fire alone excepted)

the Company hold themselves bound.  
All persons depositing flour, grain, etc.  
must pay, before taken away, the follow-  
ing storage, viz: For each barrel of flour  
6 cents; if it remains in said warehouse  
over 1 month 8 cents; & in the same pro-  
portion for the time it may remain. For  
each bushel of wheat or other grain three  
cents; if it remains over one month three  
cents; and in the same proportion for  
the time it may remain. And for all ar-  
ticles of merchandise a reasonable stor-  
age only will be demanded. Persons  
storing flour may have it inspected, or  
not, at their option. If not inspected,  
the agent's receipt will specify the brand  
and the state of the barrels. The weight  
of one bushel wheat, running measure of  
each load or parcel of wheat. All arti-  
cles stored, the same to be returned to  
the owner when called for, be it flour,  
wheat, other grain, etc. Customary al-  
lowances for wastage, etc. excepted.

Quantico Warehouse is situated on  
Quantico Creek, only two miles from  
its junction with the Potomac river, at  
all times navigable for lighters. There  
are belonging to this creek a sufficient  
number of lighters to ensure a brisk  
transportation down the creek of all arti-  
cles stored. Vessels may be got to take  
produce to the district of Columbia, Bal-  
timore, Norfolk, or elsewhere. The pre-  
sent freights are—To the district twelve  
and half cents per barrel of flour, and to  
Baltimore and Norfolk 25 cents from the  
mouth of Quantico. The proximity of  
this warehouse to a large extent of coun-  
try, added to the goodness of roads  
leading to it from the westward, being  
little inferior to paved ones. It being  
found by actual survey little more than  
25 miles from Hay Market to Dumfries,  
will, it is confidently believed by the  
trustees, by this route greatly lessen the  
expense of transportation of produce  
even to the district of Columbia, and  
they pledge themselves to the public to  
use every means within their power to  
give satisfaction.

HARTFORD, Feb. 17, 1817.

### HONOR TO THE BRAVE.

On Thursday last, adj. gen. Van  
Rensselaer, hon. Mr. Seymour, of the  
Senate, Mr. Duer, of the Assembly,  
col. Lamb, Aid to Gov. Tompkins,  
and Mr. King, arrived in this city  
from Albany, being Commissioners  
deputed by the State of New York  
to present to com. M'Donough the  
Sword voted to him by  
the Legislature of that State.  
The deputation travelled in a sleigh,  
the box of which was in the form of  
a Barge, with "M'Donough" on its  
stem.

The City Corporation had made  
all necessary arrangements to give  
splendor to the transaction. A corps  
of cavalry met the Commodore in  
Weathersfield, and escorted him to  
this city; where his entrance was  
announced by a discharge of artillery  
and peals from the bells.

The ceremony of presentation took  
place on the steps of the Phoenix  
Bank, fronting the State House; to  
which the commodore was escorted  
by a detachment of foot guards, the  
committee of arrangements, &c.

On the delivery of the Sword, Mr.  
Duer, in behalf of the delegation, de-  
livered an animated and appropriate  
speech, in which were displayed the  
valor, constancy and skill, which, un-  
der Providence enabled the gallant  
Commodore to achieve the victory of  
Lake Champlain, and the important  
consequences which resulted there-  
from.

The following was the Commodore's  
answer:

"Impressed with a lively sense  
of the distinguished honor conferred  
on me by the Legislature of the  
State of New York, in the presenta-  
tion of this sword, I receive it with  
sentiments of the highest gratifica-  
tion and respect. The munificence  
of that State so conspicuous on many  
occasions, justly entitles her to the  
high character which she sustains.  
None have experienced more of her  
liberality than myself; & I trust none  
have received it with more gratitude.  
To the citizens of Hartford my sin-  
cere acknowledgments are due for the  
very prompt and handsome man-  
ner in which they have aided his  
Excellency, the Governor of the State  
of N. York, in the presentation of  
this sword; I beg his Excellency to  
accept the assurance of my highest  
respect and esteem."

Mr. Duer then made suitable ac-  
knowledgments to the Magistracy  
and citizen of Hartford, for the li-  
berality & spirit they had displayed on  
the occasion.

The ceremony ended, a sponta-  
neous and universal burst of acclama-  
tion rent the air. The extreme in-  
clemency of the season had no effect  
on the devotion of the citizen to the  
occasion.

A dinner was provided in the As-  
sembly Room, at Morgan's; at which  
the Mayor of the city, Mr. Brace,  
presided, assisted by John Russ, Esq.  
The toasts were replete with senti-  
ment and patriotism. When the  
volunteers were called the gallant  
Commodore gave—"The citizens of  
Hartford."

Mr. Duer gave—"May the festi-  
vities of this day unite more firmly  
our neighboring States by the ties of  
mutual hospitality."

Major, Russ, the Vice President,  
gave—"The state of New York—  
Justly associating gratitude with  
greatness."

After the Commodore retired, the  
Mayor gave—"Commodore M'Do-  
nough"

### From the Long Island Star.

We learn that the court of inquiry  
recently convened on board the U  
States, ship John Adams, for the  
purpose of investigating the loss of  
the United States brig Chippewa,  
George Campbell, Esq. Com-  
mander, has terminated highly ere-  
ditable to that gentleman. We are  
unknown to capt. R. but from infor-  
mation find him to rank high among  
his brother officers, a distinguish-  
ed, brave and skillful officer. It ap-  
pears the Chippewa was lost in the  
night while running through Provi-  
dence channel, one of the most diffi-  
cult & dangerous passages known to  
the navigator.

Two other vessels met the same  
fate but a few hours after.

Boston, Feb. 19.

Extract of a letter from Lubee, on  
the British Lines, near Eastport,  
Feb. 6.

"We are just in possession of the  
Proclamation of the Governor of  
New Brunswick, rigidly enforcing

the execution of what is called the  
Plaster Act. This law prohibits the  
landing of Plaster from a British  
vessel at any port in the States east  
of Boston, or of reshipping it from  
British to American vessels on the  
lines, as has been heretofore prac-  
ticed.

"This is a branch of the general  
system of monopolizing the carrying  
trade and securing to themselves ex-  
clusively the benefit of transporting  
that bulky article, more than half of  
the value of which is freight, to all  
our southern ports.

"For the information of those who  
have not attended to the operation of  
that branch of trade, it may be ob-  
served, that to the present time many  
small British Vessels, of little value,  
have been employed in transporting  
the Plaster from the Quarries and  
landing it at the Lines, or reship-  
ping it on board our vessels, which  
took it to all parts of the States and  
in which employ we have constantly  
had from one to two hundred ves-  
sels.

Let it be remembered that while  
our vessels could not pass their  
bounds to take the plaster, theirs of  
any and all sizes might come direct  
from the Quarries to all parts in the  
States.

"Not content with leaving to us  
the pitiful benefit of moving the ar-  
ticle from one port to another in our  
own territory, after they had landed  
it where they chose the present law  
virtually provides that it shall be  
landed at the port of consumption by  
British vessels, thereby securing all  
the benefit of transportation.

"This is indeed the most glaring  
outrage to be found among their Co-  
lonial restrictive regulations and de-  
mands the immediate attention of the  
Government."

### From the Savannah Daily Gazette.

Whenever the political world is in  
a state of deep tranquillity, the wise  
statesman with redoubled attention,  
watches the motions of cabinets and  
kings and detects them having the se-  
cret trains of future explosions; his  
fears are not lulled by a political  
storm, which will convulse the world.  
The powers of Christendom have es-  
tablished a peace, among themselves,  
upon a permanent basis; but have  
we not at present great reason to be-  
lieve that all the Christian nations  
will soon be involved in an exten-  
sive and perhaps an universal war  
with the infidels? It is extravagant  
to suppose that the flame of war which  
has lately been kindled at Algiers,  
will not extend to all the Barbary pow-  
ers; and in fact to the whole land  
of Mahometanism? They are at-  
tached to each other by the same  
manners, customs and religion; and  
will be all impelled to war against  
the Christians by the violent and in-  
veterate hatred, which rankles in  
every heathen bosom. They are  
more than ever disposed to war with  
the Christians at present, because  
they see that all the Christian pow-  
ers have already proclaimed a vir-  
tual war against them; they hear them  
threaten the destruction of their  
temples; the disgrace of their adored  
prophet; and the abolition of their  
ancient and revered ceremonies.

In other parts of the heathen world  
there will not be wanting causes to  
stir up the savages of paganism, to  
oppose the incursions of Christianity  
into their barbarous territories. At  
the moment we have before us an  
example of the treatment which ma-  
ny of our missionaries may receive  
before we emancipate the pagan  
world from the dominion of their  
false religions. Two Jesuit mission-  
aries, sent by the Pope to China,  
have been put to death by legal  
authority because they were Chris-  
tians and refused to renounce their  
faith. How much additional provo-  
cation will it require to array the  
pope and his dominions and all the  
catholic kingdoms against those in-  
fidel of China? I could add other rea-  
sons to justify the opinion that the  
time is not distant when the idola-  
trous regions of Asia shall reek with  
the blood of christian martyrs; and  
when all christendom shall be in  
arms against the infidel world.

Having employed new carriers to dis-

We had intended presenting our

### MR. LEWIS.

The following letter addressed to the  
Mayor of this town, has been handed to  
us for publication—inviting the citizens  
of Alexandria, to unite with the citizens  
of Washington, in paying a tribute of  
respect and thanks to the Honorable Mr.  
Lewis, for his zealous & arduous while in  
Congress to the affairs of this district.

SIR,

In pursuance of the enclosed resolu-  
tion, you are requested to notify your  
citizens, that they are invited to co-  
operate in paying a compliment to Mr.  
Lewis, expressive of their gratitude, for  
his zealous and successful exertions, in  
promoting the prosperity of the district.

The day fixed upon is the 8th March,  
at half past four, at Davis's Hall.

To the Mayor of Alexandria.

Thomas Brent,

Daniel Carroll of Fed.

John Taylor.

Mr. SNOWDEN,

I was reading last night for the first  
time, the essays of "Hard Times." While  
perusing them it occurred to me, from the  
noise he was making about high salaries,  
that his zeal arose principally out of a  
desire to be receiving some of the salaries  
of which he was complaining. He ap-  
peared to be un- or an apprehension, if  
the present members of the Council or  
characters like them are returned at the  
next election, he will not stand a chance  
of getting a son in the Corporation pan-  
perhaps he would be well pleased with a  
department in the hospital, or the office  
of clerk and auditor. After making these  
reflections, I shut up my shop and went  
on my way home, but to my surprise as I  
passed one of the corners of the streets,  
I found a crowd of boys and men all of  
colours in the midst of them, I saw a man  
who I was given to understand by one of  
the crowd, was the author of "Hard Times!"  
I soon found he was no mean fellow.  
He expatiated so learnedly, and exposed  
so much like a lawyer on the constitu-  
tional meaning of the terms ex post facto,  
used in the constitution; that I began to  
think he was a limb of the law. But  
this conjecture was not well founded  
understood that he was a lecturer upon  
elections and the people's rights; I there-  
fore listened to him. He proved not only  
my satisfaction, but to his discrimination  
and auditory, that the governing law of the  
corporation was an ex post facto law—  
because prospective in its operation. Af-  
ter listening to this eloquent and logical  
defender of the people's rights against the  
usurpation of the Corporation—I will  
home and told my common sense with  
what I had heard, and that I had made  
up my mind to side with "Hard Times!"  
She listened to me with her usual good  
humour, and remarked, are you not ac-  
quainted with the members of the Com-  
mon Council, dont you know their char-  
acters have not a majority of them but  
living for years in town, have they not  
property to a large amount in houses and  
lots, have not most of them every thing  
they own in this town, have they not fa-  
milies here, and are not all of them hon-  
ored men? To all these questions I answered  
in the affirmative. She then put the  
honest question to me. Can you believe  
that these men will make any law to in-  
jure a place the prosperity of which is  
so much important to them, and do not  
believe they can pass any law, to which  
they themselves will not also be sub-  
jected. I said they have done some wrong  
things. She replied, and who is it that  
acts always right, are all the laws of Col-  
umbia such as they ought to be, and that  
that great man the President of the U  
States, always do right. I replied cer-  
tainly not, then she said, is it not absurd  
in you or any other person to expect per-  
fection in councilmen and then observe  
I agreed she was right, and then asked  
whether "Hard Times" was a person  
who had any thing at stake in the town,  
whether he owned any property in it or  
not, except some moveables, and what he had  
attached him to the place—and said he  
would warrant it that he had been guilty  
of a breach of some of the corporate  
laws. She seemed to have so much common  
sense in her discourse, that I was ob-  
liged to think she was right.

# JAMES KENNEDY & SON,

BOOKSELLERS, KING STREET,  
Have just received from LEE'S PATENT MEDICINE Store, No. 46 Maiden Lane, N. York  
**A FRESH SUPPLY**

Of the following genuine Medicines.  
For the prevention and cure of Bilious and Malignant Fevers, is recommended

## Hahn's Anti-Bilious Pills.

THIS Medicine has been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West Indies, and the Southern & Middle States, particularly in N. York, Philadelphia, Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston, and Savannah. The testimony of a number of persons at each of the above places can be adduced, who have reason to believe, that a timely use of this salutary remedy has, under Providence, preserved their lives, when in the most alarming circumstances.

Facts of this conclusive nature speak more in favour of a medicine than columns of pompous eulogy, founded on mere assertion.

It is not, indeed, presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these Pills, taken once in every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative; and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed desperate, and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to be used with safety by persons in every situation, and of every age.

They are excellently adapted to carry off superfluous bile & prevent its morbid secretions—to restore & to mend the appetite—to produce a free perspiration and thereby prevent colds which is so often of fatal consequences. A dose never fails to remove a cold if taken on its first appearance—they are celebrated for removing habitual costiveness—sickness at the stomach and severe head-ache—and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

## HAMILTON'S WORM DESTROYING LOZENGES.

Which have cured an immense number of persons of both sexes, of every age, and in every situation, of various dangerous complaints arising from worms, and from obstructions or foulness in their stomach and bowels.

This medicine bears no analogy whatever to others of similar titles so commonly complained of, as operating with violence; on the contrary, a particular excellence of this remedy is its being suited to every age and perfectly inoffensive, and is also mild in its operation, cannot injure the most delicate pregnant lady or the tenderest infant of a week old, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels, of whatever is foul or offensive, and thereby prevent the production of worms, and many fatal disorders. The lozenges are particularly efficacious in carrying off all gross humours and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

## DESCRIPTION OF WORMS.

And the symptoms by which they are known:

Worms which infest the human body, are chiefly of four kinds, viz.—The Terres, or large round worm; the Ascarides, or small maw-worm; the Cucurbitina, or short, flat, white worm; and lastly, the Taenia, or tape-worm, so called from its resemblance to tape. This is often many yards long, and is full of joints. It is most hurtful and most difficult to remove.

Among the symptoms attending worms are—disagreeable breath, especially in the morning; bad and corrupted gums; itching in the nose, and about the seat; convulsions, epileptic fits, and sometimes privation of speech; starting and grinding of the teeth in sleep; irregular appetite, sometimes loathing food, and sometimes voracious; purging, with slimy & fetid stools; vomiting; large and hard belly; pains and sickness at the stomach; slow fever, with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance, and sometimes the face coated and flushed.

Persons afflicted with any of the above symptoms, should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success, in all complaints similar to those above described.

A dose of this medicine given occasionally during the warm season, will effectually prevent the vomiting and purging of chills—a dreadful disorder, which annually destroys the health of the infant part of our citizens.

hair omedy known, and the restore to health and strength a great number who in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases. Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

## Hamilton's Essence and Extract of Mustard.

A safe and effectual remedy for acute and chronic rheumatism, gout, asthmatic, palsy, lumbago, numbness, white swellings, chilblains, sprains, bruises, pain in the face and neck, &c.

## The Genuine Persian Lotion.

The Persian Lotion operates mildly, without impeding the natural insensible perspiration, which is essential to health, yet its effects are speedy and permanent, rendering the skin delicately soft and smooth and improving the complexion.

## The Restorative Powder for the teeth and Gums.

This excellent preparation comforts and strengthens the gums, preserves the enamel from decay, and cleanses and whitens the teeth, by absorbing all the acrimonious slime and foulness, which suffered to accumulate, never fails to injure and finally ruin them.

## Hamilton's Grand Restorative.

Is recommended as an invaluable medicine for the speedy relief and permanent cure of the various complaints resulting from dissipated pleasures, juvenile indiscretions, residence in climates unfavourable to the constitution, the immoderate use of tea, frequent intoxication, or any other destructive intemperance, the unskilful or excessive use of mercury, the diseases peculiar to females at a certain period of life, bad lyings in, &c.

## Land for Sale

A tract or parcel of Land, containing between two and three hundred acres, on the north side of Occoquan, in Fairfax county, about 5 miles west of Occoquan mills. It is well watered with never failing springs, it is also well timbered, and the great quantity of fur timber on it renders it the more valuable to any person in the cooping line. This land is of the middle soil, and produces corn, wheat or any other grain tolerable well—there is about 100 acres cleared and under good fence. The improvements are a log dwelling house & other out houses, and a good apple orchard of about sixty trees.

ALSO,

One other tract in the same county within three miles of Occoquan, lying on Sandy Run, containing 47 acres—one half in cultivation and under good fence, the remainder heavily timbered. There are on the premises an old framed dwelling house and out houses and an apple orchard of eighty bearing trees.

Any person inclining to purchase can view the premises and know the terms of applying to the subscriber who lives near them.

Thomas Gossom.

## NO TICE.

The subscriber intending to remove from this place in a short time, requests all those indebted to him by bond, note or open account; to come forward & settle them up to first of January 1817.

He will dispose of the Houses & Lots he now occupies, and possession given the 15th October next. The dwelling house is calculated for the accommodation of a family, with all the necessary out houses, and a very productive garden, subject to a small ground rent—the stand for retailing goods, or purchase of produce, is inferior to none in town.

It is deemed unnecessary to give a more minute description, as it is presumed those wishing to purchase will view the premises.

He will also sell a quarter acre Lot and Dwelling House thereon, near the court house.

The above property will be disposed of on accommodating terms to those wishing to purchase.

GEORGE SMITH.

Dumfries, January 13—16

For Sale.  
THE subscriber offers for sale his 28 1/2 ACRE BRUSHMENT on the north side of Cameron street, a cated on the centre of the square between the Bank of Alexandria and the City Tavern—consisting of a three story

## BRICK HOUSE.

with two stories in the rear, the whole covered with slate and running in one range of buildings from the front 117 feet 6 inches. The house contains twelve rooms, (besides the store and cellars) 10 of them with fire places. Some of them spacious and elegant, and few less than 15 by 18 feet in the clear, except on closet room; one front and two back stair ways, a kitchen with two fire places, with stoves for cooking, ver which are servants' rooms, adjoining a pantry, smoke house and other necessary back buildings.

The cellars are large, floored and fitted up in the neatest manner, equal if not superior to any in the district; the floor over which, is finished in the best style, and has been occupied for a length of time pass as a fancy store, consisting of China, Delf, Glass and Hardware, &c. The cellars as a Wine Grocery and Spirit Store, &c.

The purchaser can have the goods on hand, which comprise a good assortment and have been carefully selected at cost.

On the house, so far, there has been expended and paid upwards of \$12,000. Nearly 16 feet of the lot in front remains to be built on.

The buildings are insured and nearly complete in every particular, and on examination will be found to be an establishment equalled by few here or elsewhere. About two thirds of the amount for house goods, &c. would be required in hand, or in approved notes at short dates on the remainder a long credit will be given.

He would wish, also, to sell, on a credit, or would barter for goods, or property in the district—two squares of two acres each, in the town of Jefferson, Ohio. Both squares join in with the public square, on which has been erected the market house, court house, jail, &c.—The squares are divided into half squares, by 38 feet alleys, and to each half square there is attached 8 acres of land immediately adjoining the town's town lands, and to each square the remaining 100 acres, further distant. This settlement is in a flourishing state, being the county and post town, situated on the river Grand, a short distance from Lake Erie, the soil rich and of first rate quality.

Should he not be able to effect the sales above stated in a short time, on liberal and fair terms, he would have no objection to take a partner in trade, who putting one third or one half the interest he holds in the concern, would reap a proportionable part of the profits in assisting to conduct the business.

WM. DENLAP.

N. B. Arrangements might be made to accommodate a partner with the whole or part of the dwelling house if necessary.
